## In case of legal dispute the German version of the Price list according to the German version of the Service Facility Statement (NBS) of KTB will apply.

1 Use of feeder track by Railway Undertaking solely for the purpose of transshipment and collection from the transshipment track, no train parking.

Automated data exchange via electronic data interface (ESSB) to BLU requires contractual agreement
 No credit note for data exchange with BLU (ESSB) if identification standards are not fullfilled
 Applies from the time the load unit arrives on rail or road and is accepted by KTB
 For dangerous goods in accordance with GGVSEB/RID/ADR when accepted intermediate standing time is exceeded
 Not subject to VAT in accordance with Directive 3, Section 1 UStG (German Value Added Tax Act)

<sup>\*</sup>For all charges: settlement complaints are not exempt from payment.
